STUDENT MINISTRY

CHURCH FAMILY,

Our Fall Semester has officially begun! Pastor Austin and I are thrilled to collaborate and bring back our Student Choir. Our church has a rich tradition of choral worship, and I am honored to contribute to its continuation by investing in the next generation of choir members.

However, this fall semester will bring some changes for me. As many of you know, we are eagerly anticipating the arrival of our son, Beau. We are overjoyed about his arrival and I am requesting your prayers for me and my family as we embark on this new chapter of life. Upon Beau's arrival, I will take some extended time off to be with my wife and son. I want to express my gratitude to our church family for allowing me to take this time to serve and minister to my first mission field—my family.

Additionally, to those who have volunteered in my absence, I want to extend my heartfelt thanks for your invaluable support and leadership during my absence.
