### CHURCH FAMILY,

I want to invite you to an interest meeting, this Sunday after our worship service in the chapel, concerning a trip to the Holy Land scheduled January of 2028. Genesis 12:1 says this, *“Now the Lord said to Abram, “Go from your country and your kindred and your father’s house to the land that I will show you.”* Abram, later known as Abraham, heard the Lord’s words and went to this land, and in the coming days we have the opportunity to traverse the same land where Abraham, David, and Jesus walked. January 2028 seems like a long way away but it will be here before we know it, and if you’d like to join me on this journey, now is the time to prepare for an adventure where we can learn and grow together. I love you, church family. I hope to see you there!

IN CHRIST,

# MUSIC MINISTRY

Church family,

Thank you so much for all your prayers and support for the Singing Churchmen Concert last week. We had around 600 people in the building attending the concert, counting the men on stage and in the orchestra.

But this event does not happen on its own. It is by your service and help that it goes on. So **THANK YOU!** Thank you to all who helped from driving vans, greeting, handing out bulletins, cooking, cleaning, walking the building for security, and so much more. Thank you for attending the concert and inviting your friends and family to this wonderful night of worship. Thank you for your generous giving to the Churchmen to ensure this ministry can continue.

We know we were blessed during this concert and we hope you were too.
