CHURCH FAMILY,

Beginning Sunday, February 15th, Dr. Bobby Kelly will be back with us to kick off our Winter Bible Study studying the "I am" sayings of Jesus from the book of John. These sayings of Jesus are formative for our worship and understanding of our Savior and King. Dr. Kelly has blessed our church for many years and we are excited that he will be back with us. I want to encourage you to come and be equipped through Dr. Kelly's teaching, and to support him with a generous love offering, as our church always has. This study will be live-streamed each evening for those unable to attend; however, if you can gather with us in person, please do so. We are also offering childcare for birth-5th grade so that all of our parents can attend. The older children will be walking through a Winter Bible Study of their own, called "Building Faith Brick by Brick." This LEGO themed Bible Study will encourage our children to build their lives on the solid rock of Jesus Christ. Teenagers are encouraged to join the adults for Dr. Kelly's study. Come prepared to learn, be challenged, and be better equipped to follow Jesus faithfully. Invite others to come with you. I am praying that God would use this study for His glory and the building up of our church. I love you church family.

STUDENT MINISTRY

Church family, this Sunday, February 8th, the students will be having our Super Bowl watch party. It starts at 5:30 pm, will be hosted at my house, and we will be serving walking tacos. It is a great time of fellowship for our students. We will have board games, the football game, and other activities for all of our students to have fun together. We are asking that our girl students bring sweet treats, and our boy students bring savory sides. Parents, drop off your students around 5:30 pm and pick them up shortly after the conclusion of the game.
