CHURCH FAMILY,

This Sunday we have the opportunity to celebrate a milestone in the lives of this year's graduates among our congregation. We have several who are graduating high school and a handful who are graduating from college as well. Graduations are often historical markers in our lives where we have to decide what we will do next. A passage of scripture that I like to direct graduates to often is Ephesians 5:15-17, *"¹⁵ Look carefully then how you walk, not as unwise but as wise, ¹⁶ making the best use of the time, because the days are evil. ¹⁷ Therefore do not be foolish, but understand what the will of the Lord is."* Paul reminds us that the way we live our lives matters and the choices we make matter. Graduation can mean a new degree of freedom in the lives of these young men and women, but with that freedom comes responsibility as well. My prayer for these graduates is that as they enter this new phase of life they would be careful how they walk, knowing the days are evil and that they would seek the Lord's will for their lives. Will you join me in that prayer for these graduates today? I love you church family.
