CHURCH FAMILY,

Summer is here! Numerous opportunities have filled the church's calendar, and we are excited to see what God will do as we seek to follow him together in the days ahead. Vacation Bible School, a new Parenting Workshop, Super Summer, Crosstimbers, Falls Creek, Kid's Day Out, Collegiate Week at Falls Creek, as well as many other opportunities, are all shaping up to be wonderful outreach events where young people will hear the good news of Jesus, some for the first time. I want to encourage you to remember the words of the Apostle Paul in Colossians 4:2, "*Continue steadfastly in prayer, being watchful in it with thanksgiving.*" Let us pray that God will do a mighty work in and through our church this summer. Pray that he would use our efforts to advance his Kingdom and bring the dead to life through the work of Jesus, like he has time and time again. We have much to be thankful for in this season. So, let us go to God with eager hearts. I love you church

Church Family,

Summer is officially here! VBS is coming up next week and last I checked we had 134 children registered. Which is amazing! We are excited to see how God uses VBS this year both in our church and all over the world. For many years God has used VBS to reveal his salvation to children, and this year will be no different. Thank you so much for all your help from volunteering, decorating, and praying for the children and our workers. Continue praying for all our churches summer activities because we want to see God do a big work in the summer of 2026.
