Church Family,

This Sunday evening, November 22nd, we will celebrate what God is doing in our church family by ordaining seven men to serve as deacons in our church: Don Allen, Nathan Boon, Rick Cohee, Bobby Dorrell, Brandon Pierson, Matthew Rom, and Caleb Taylor. We will also activate one man who has been previously ordained to serve as a deacon of our church: Glen White. I am grateful for each of these men and am honored to get to serve our church alongside them in the days ahead. The office of deacon was established early in the church's history, most likely finding its origin in Acts 6. In that text, seven men were set apart in the church in Jerusalem to care for the widows in the congregation. These men were to be *"of good repute, full of the Spirit and of wisdom."* I believe that each of the men who will be presented before the church resembles that description well. I want to encourage all of our church family to participate in this ordination service on Sunday evening, November 22nd, at 6:00 pm. I look forward to worshiping with you then!

IN CHRIST,
PASTOR TREY

STUDENT MINISTRY

CHURCH FAMILY,

We have had a wonderful fall semester in the student ministry. As we draw closer to the end of the year, I have taken time to reflect on the many moments that marked this season, from 6th Grade Weekend, which kicked off our semester, to Fall Retreat, which served as a fitting conclusion.

As I look back, Paul's words in **1 Corinthians 3:6-7** come to mind:

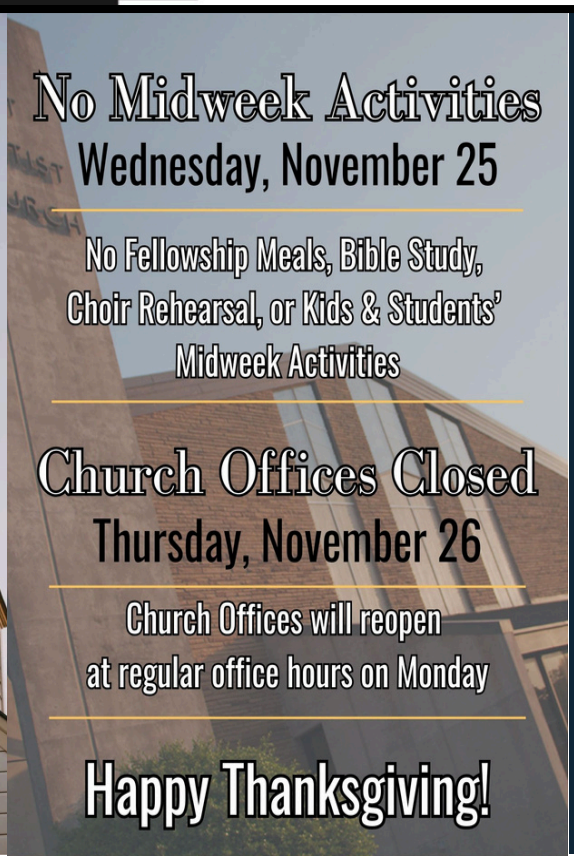

"I planted the seed, Apollos watered it, but God has been making it grow. So neither the one who plants nor the one who waters is anything, but only God, who makes things grow."

Throughout this semester, we have sought to faithfully plant and water seeds of the gospel in the lives of our students. It has been a joy to witness the growth that God is producing among them. Many students have taken meaningful steps forward in their walk with Christ, pursuing greater holiness and maturity in their faith.

At the same time, we have enjoyed countless opportunities to build relationships, share life together, and grow as a student ministry family. We are grateful for the work God is doing and look forward with anticipation to how He will continue to shape and strengthen the lives of our students in the days ahead.
