CHURCH FAMILY,

In this season of growth, our church has been blessed with numerous babies. Pastor Alec has joked on multiple occasions that we have had enough newborns born within a year of one another to form a little league baseball team when the time comes. Do not miss this opportunity to encourage these young families and to pray for these children. Jesus told us in Matthew 19:14, *"Let the little children come to me and do not hinder them, for to such belongs the kingdom of heaven."* Jesus saw great value in children, and our church must as well. Let us celebrate this season and come alongside these families with joy and encouragement. Let us also take time to pray for families in our church that are seeking to have children but have not yet been blessed with the opportunity. A season of waiting while many celebrations are happening all around can be discouraging and even isolating. Let us not neglect those who are hurting in the midst of appropriate celebration. The Apostle Paul tells in Romans 12:15, *"Rejoice with those who rejoice, weep with those who weep."* Both of these are righteous actions, let us be found faithful in each. I love you church family.
